Dear Sir,

The applicants, Oscar D. Sandlin and Bill Oltman, by counsel, hereby respectfully petitions that the above referenced application be given the filing of date of September 6, 2003 based upon the evidence referenced herein that the application did not have an omitted item as alleged.

In support of this petition, applicants would incorporate by reference the Declaration of Bryan S. Redding, whereby it is declared that all parts of the application were copied and sent to the Patent Trademark Office, including all eight (8) drawings, which included Figure 3. Further, a return post-card sent with the application was returned to the undersigned stamped by the U.S.P.T.O. indicating that all eight (8) drawings, which would include Figure 3, were received by the United States Patent office.

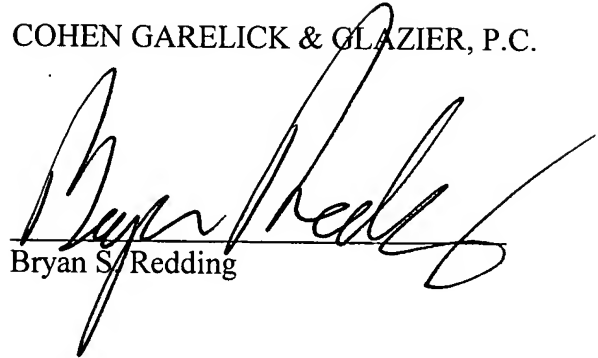

In view of the above, applicants request that the enclosed Figure 3 be incorporated into the application in place of the Figure 3 that must have been inadvertently misplaced or lost and that the application be shown as having a filing date of September 6, 2003.

The petition fee required is enclosed via a credit card payment authorization in the
